These are twice-yearly statistics under development on the Restart Scheme (https://www.gov.uk/government/publications/restart-scheme).

The latest release of statistics covers data from July 2021 to the end of April 2024 on:

- referrals to Restart
- starts to Restart
- first earnings from employment
- job outcome rates and performance by contract area, month, and cohort
- participant demographics – gender, age

Further details on additional statistics will be added to the [Statistical work programme document (https://www.gov.uk/government/publications/dwp-statistical-work-programme/statistical-work-programme)](https://www.gov.uk/government/publications/dwp-statistical-work-programme/statistical-work-programme) when available.

We welcome user feedback on plans for the release of these new statistics and their scope. If you have comments, email: cep.statistics@dwp.gov.uk
